For our registration fee we're trying something new this year – "Pay as led". Friends are invited to enter into a process of Spiritual discernment around their financial giving toward the expenses of our 2021 Yearly Meeting sessions. To inform your process, please take into consideration our average Yearly Meeting cost is \$85 per person, covering meals and snacks, speaker, childcare, youth programming, and general supplies.

We ask you to review the suggested amount and consider prayerfully how much you are able and led to pay this year. If your finances prohibit payment this year, please enter \$0. All financial information is confidential.

Any payment above the basic cost of meals will be noted as a tax-deductible charitable gift to Great Plains Yearly Meeting. We trust you will give what you're led and able in a spirit of generosity and abundance. Beyond YM expenses, Friends are always invited to sustain the ministry of GPYM with additional giving through a donation. We thank you for your prayerful participation in our 2021 "Pay as led" experiment.
